

NMC nod to PG course in Emergency Medicine at SGPGI

PNS ■ LUCKNOW

The National Medical Commission (NMC) has issued a letter of intent and permission to start a PG course in Emergency Medicine at two seats in SGPGI from the academic session 2021-22.

SGPGI director Prof RK Dhiman said the Commission has recognised the 30-bed unit of the department of Emergency Medicine. "This recognition from NMC comes close on the heels of the ongoing expansion of the department of Emergency to 210 beds in the new and upcoming Emergency Medicine and Renal Transplant Centre at SGPGI. The new building, its related equipment purchase and installation are in final stage of completion, and the building will soon be handed over to SGPGI," he said.

He added that appropriate manpower recruitment for this expansion is also in process. "This seven-fold expansion is bound to provide relief to the medical emergency patients coming to SGPGI. This new emergency block will have in-house diagnostic and therapeutic radiology services for emergency patients," he added.

"It will be segregated into multiple care segments, depending on the acuity of illness and urgency of interventions. It will have resuscitation bays, triage & care areas, short stay units, ICUs, HDUs, OTs, endoscopy and other procedure rooms apart from typical red, yellow and green zones. Much emphasis has been laid on providing the best of emergency facilities for patients and their attendants while taking care of the needs of the staff," he said.

He added that the start of MD course in Emergency Medicine at SGPGI would act as a catalyst to improved emergency services in the premier medical institute as well as in UP.

"It will act as a resource training centre for the much needed medical and paramedical manpower in the field of Emergency Medicine," he added.

LSWA delegation meets excise commissioner

Lucknow (PNS): A delegation of Liquor Sellers' Welfare Association (LSWA), Uttar Pradesh, on Saturday met Excise Commissioner S Pandeyan and other officials of the department to discuss their problems and seek an amicable solution.

LSWA media incharge Devesh Jaiswal said the delegation gave some suggestions to the officials. He said retail sellers were helping in achieving the revenue target, but the policy-makers were ignoring their problems and it resulted in the business to see a dip.

The delegation said the margin money should be increased so that the sellers could run their shops in a smooth way. "In the last 17 years, there has an increment in liquor sales every year even though there was no quota system. But in the last three years, the increment remained the same after the quota system was implemented. So it is evident that the quota system had no role to play in increased liquor sale and therefore, the quarterly quota system or yearly quota system should be abolished," the delegation said.

Conference mulls guidelines for tele-care of chronic disease

Lucknow (PNS): The School of Telemedicine and Biomedical Informatics, SGPGI, is hosting the '17th International Conference of Telemedicine Society of India'. It is an annual conference of the Telemedicine Society of India held in different parts of the country for creating awareness, sharing new experiences and learning from each other in the field of telemedicine and digital health.

A panel discussion on developing guidelines of tele-care for chronic diseases like diabetes, cancer, neurological disorders was considered by ICMR, National Centre for Disease Informatics and Research (Bangalore) with the help of country-wise experts.

The first session was devoted only for beginners of tele-

medicine where Prof BN Mohanty, Prof Jayant Mukhopadhyay (IIT-Kharagpur), Prof Meenu Singh (PGIMER, Chandigarh) and 46 other national speaker, 20 chairs and panellists shared their experiences in the field of tele-medicine and digital health, and demonstrated how this technology can help in delivering healthcare in rural parts of India.

Baastian Quast (ITU, Geneva) delivered a talk on ITU-WHO Focus Group 'Benchmarking AI and Health Solutions', as a special invited speaker. Workshops on Telemedicine and Digital Health Policy and Strategy, and Legal and Regulatory Issues and Telemedicine Practice Guidelines were conducted in sessions.

Those who participated included Prof JA Jayl, Dr Acha Gulati, and Dr Balaji Ramachandran.

For the first time, IIT-Bombay, which has just established Koita Centre for Digital Health (KCDH), participated in the telemedicine conference to conduct a workshop on future health technologies with the collaboration of National Medical Commission experts, IMA and NGOs. Telemedicine Society senior members to address legal ethical policies issues relating the Telemedicine and digital health carried out a workshop.

A total of 662 registered delegates from medical institutions, IITs, dental colleges and technical universities participated in the conference.
